“ I just learned today of Tiffani's passing and am very saddened. Tiffani was one of the most unique and memorable people I have ever had the pleasure of knowing. I worked with Tiffani for almost 3 years and had the pleasure of seeing her daily. She was simply a ray of sunshine. I saw her about a year ago and she was exactly as I remembered her. Smiling, positive and, as always, stylish in her own one-of-a-kind way. She came in and out of my life over the years and is truly one of my favorite people ever. I am sorry that I did not know sooner. Please know that Tiffani will always be remembered fondly and with love.

Sincerely, Kay Hyatt

“ Dear Franklin Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth. “ There will be a resurrection of the righteous and the unrighteous.” May you have peace as you think about this beautiful hope for the future.

“ Please know that prayer is going up for your family's strength at this time of great loss. It is in times of brokenness that we cling to God for power to endure and persevere. Trust (lean on) the Lord, the creator of all that exists, and know that he knows and cares. There is absolutely no grief on earth that heaven cannot bear. The God of all grace be with you henceforth and forever more.

Yours in Christ
