“ Timothy or Timmy Tim’s as i always called him was such a joy to expect every time i clocked in for work. he would greet me and would always make my day a whole lot better. i’m very thankful that i got to train him the first week he started working. by then, he was able to learn quick and when it got difficult he tried his best in everything as well as motivating others. We miss you so much. Rest in Glory, Timmy.

“ *Tim was a former student at Sweetwater Middle School. His smile would light up a room but his heart was even brighter. Tim was a kind and sweet young man who will definitely be missed by all whom he came in contact with.*
