“ Greetings to the family of Timothy, I can not say I know what you are going through, because I don't. I can say that with each passing day God will heal and strengthen you, through the lost of your beloved son Timothy Jr. My prayers for you consist of standing on God's word and knowing that, you will see your son and brother again on the other side. Johnna, your faith is what makes the sister's in the spirit press onward. Until we see each other again, be Blessed and know that your sister in the Lord, is lifting your family up in prayer.

“ To the Cannon and Luttrell family; I am so sorry to hear of your beloved going home so early in his young life. I'm sure even though things happen beyond our comprehension and understanding, God had a divine plan for this young man. He needed him at this time, it doesn't make it any easier nor does it make the pain go away, but know that the Father is with you always and forever, He will not put no more on you than you can bear. I love you and you're in my prayers always. If you ever need me, just call. God Bless and Keep You Sister
