“ Timothy Davis, you will be missed by so many because you did so much. I will miss your curiosity, your helpfulness, your enthusiasm, and your friendship. I know that wherever your spirit is, it is sharing the love you had for teaching, for students, for public education, and for GAE.

Condolences to your family. May all the joy you brought into this world be a blessing for all who are left behind.

“ A letter to Mr.D.

I admired how you loved God, family, friends, and young people. I will forever cherish our friendship. I remember you asking, "why can,t I get a promotion." I wasn't, able to answer that question ; until now. Mr. D. it wasn't gods plan for you. Had you been tucked away in an office;you wouldn't have been able to greet everyone on your hall with a friendly good morning and a big smile(even when you were to weak to stand you would roll your chair to the door or just yell from your desk.) God needed you to open your home and heart to so many foster children. He needed you to quietly slip that student a dollar for lunch or an ice cream. You were the only one to give young men their first white shirt and teach them to tie a tie that you bought for them. He needed you to break up fights, mop up milk, direct traffic, clear halls,sing to us at the end of a hard day and so much more. Yes, Mr. D. God had so much much more for you than administrator. Last Friday you were promoted; not from dekalb but from God himself. Now you walk with the king and heaven is your classroom. I would say "rest in peace" but I know you are at the gate welcoming everyone in and singing with the Angels so I will end by saying, Well done Mr. D.,well done."
Your friend, Sarah,m

“ My name is Rev. Alphonsus Platt. I Pastor the Nia Fellowship Baptist Church in West Orange, NJ and I am a retired Principal from Hillside, NJ.

I grew up in the Southward section of Newark with Timothy and his family. His brother Eugene Davis was my classmates and working colleague. He continues a 30yr career in the Hillside School system.

Timothy was a great role model for young people and educators. He had a passion for education and was successful in NJ and Georgia as a teacher and an administrator.

To God be the Glory for his life. May he rest in peace in the presence of God.

“ *I worked with Tim Davis at Salem Middle School in Dekalb County School District for a short period. I am very saddened about his passing. Tim was a very kind, friendly, smart, supportive and caring co-worker. He always helped wherever needed. I appreciate all of the support and help that he gave me always! He was a wonderful educator. May he rest in peace! I am still enjoying the beautiful retirement gift that he gave me during my retirement celebration on December 19, 2013. Prayers and condolences for the family....*

“ My condolences to the family of Mr. Tim Davis. I didn't have the pleasure of knowing Tim that long but the short time I did I learned that he was such a sweet and caring person. His upbeat personality and sense of humor were always a pleasure to be around. He's going to be missed. Your family will be in my prayers.

“ I worked with Tim at Columbia Middle School years ago and we fast became, not only colleagues, but friends. Our classrooms were right next door to each other and he made me laugh on a daily basis. He was indeed a good listener, a caring person, and one of the hardest working teachers that I have ever had the pleasure of working with. Tim was not only a good teacher, but he was a good person, so I know without a shadow of a doubt that he is now in the presence of our GREAT GOD and resting at HIS feet. I pray that God will strengthen his family and give them understanding during this most difficult time. Rest in peace Tim, and know that God loved you best.
