“ *I had the pleasure of working with Tina in the Law Department, Consumer Protection Division, for six years. I will miss her so much. She was always a voice of comfort and encouragement. We talked about our dreams and goals in life and I knew that she could be trusted completely. I will miss her in the cubicle right across from me. We laughed and talked every time we were in the office together. It is so hard to believe that she is gone. May God bless and comfort her family.*
