“ Forever My Sister, Forever My Angel 🕊️

Tiyana, there isn't a day that goes by that I don't think of you. We shared so many memories, so many laughs, so many "remember when" moments that still make me smile through the tears. You weren't just my friend you were my sister. Gone ride or die with us no matter what 🙏🏾

From childhood adventures to our grown up talks, so many memories. Life feels so different without you, but your spirit lives in every memory we made together. I hold onto those moments like treasure. 💔

I miss your laugh, your energy, your love. Thank you the sisterhood that can never be replaced. Keep watching over Us! Until we meet again. ☐💙
