“ *Mr. Wynn and my mother were co-workers at Exide Technologies in Alpharetta, GA. It had to be about 12 years ago, but I needed a battery for my car and Mr. Wynn was kind enough to get a new battery for me and also install it. That was the only time I was privileged enough to meet Mr. Wynn, but in that short time of him just replacing my battery, we had a conversation like we knew each other for years. It's amazing when you have GOD in your life, you have the ability to impact so many other lives. He impacted my life by one simple kind gesture and a conversation. Through GOD's Grace we will see him again. GOD give Mr. Wynn's Family strength through this difficult time 🙏*

“ For the past two years, Todd and I shared office space and worked closely together, and it is still difficult to accept his passing. He was one of the most genuine individuals I have ever known; quiet, gentle, and always kind.

He had a sense of humor and was always the first to laugh at his own jokes, often bringing lightness to our days. He was not only a dedicated colleague, but also a devoted family man who spoke with great love and pride about those closest to him. He carried himself with humility, generosity, and a willingness to help others. He will be deeply missed, not only as a coworker, but as a friend. May he rest in God's care.

I pray that God comfort and strengthens his lovely wife and children, his family and loved ones and surrounds them with His peace and love.

My deepest sympathy, Deloria (Lori) Pugh

“ Uncle Todd, you were 1 of 1. The absolute greatest. I will never forget the belly laughs, hugs and introduction to rock-n-roll you gave my brother and I as kids. Your overall carefree presence was ethereal...a vibe. It doesn't feel real recognizing you in the past tense, but you will so be missed. God, give us strength. My thoughts and prayers are with Aunt Donna, Jon-Jon and Sisi right now. Praying for you all. Godspeed.

Love Always,

T'Mara (or as you'd say Unc - "Tee-Mara")

My heartfelt condolences go out to the family, and I pray that God's grace and mercy comforts you all in this time of sorrow. I worked with Todd for nearly 23 years, and I'll especially miss him terribly. Todd had the calmest spirit I've ever met in a human being and it's sad to think he won't be towering around the halls or casing the break room at our company any longer. He was one of a kind. Rest in heavenly peace, my friend. With warm regards, Harold Hollingsworth
