“ Tommy helped me through my 1st year @ Quest Diagnostics
He was the best we became fast friends. I know you're with family
and friends playing a game of golf up in the sky.

MTHS SCHOOL SONG

*There shines for the Beacon
Which will guide us on our way,
O'er the fields of struggle
Which we may cross today.
We share our allegiance
To this radiant sky so blue
To our Alma Mater
Pledge our loyalty to you . . .*

*Humm humm hummm
Manual we love you,
for you're our own
We're always for you
Where ever we rome,
We'll stand together
Ever for the right
We'll rally to Manual
To the purple and tha white!!*

“ Freda, Julia, and Tom were some of the first people I met when I moved to Atlanta in 1995. They are family to me. I could always count on Tom to say exactly what he was thinking- No Filters😂 Rest easy my friend.

“ Some of the best memories I have was being a kid at my grandparents house and all of family being there listening to their records on 45's. Seeing them in the front yard Mom and Uncle Tommy talking, Uncle Bunny Ray, Uncle Rick and Aunt Benita would be laughing about adult stuff. I wanted to be cool and chill as Uncles B. Ray and Rick, and as tall, kind hearted and wise as Tommy.

“ I remember every time uncle Tommy came to visit he would rest his forearm on my head like I was a table and there was never a dull moment with him around. He would always keep me laughing❤️
