“ I met Tonoa in High School and we used to skip school together with my sister. Tonoa would take us to the mall and drive us around and bring us back to school in time to catch the cheese wagon (bus). I remember when we were in the mall (the hood) I never felt scared. Tonoa was truly a gentle giant and I always felt safe and protected when he was around. Thanks for the laughs and great memories. May God receive your sweet soul into his loving arms.
