“ I loved me some Eld. Wilson and made sure to give him a hug every time I saw him at church! He came to the hospital and prayed for me and just sat and talked after I was almost killed in a car wreck.. not even knowing me personally before hand. For that, I'll forever be grateful. My heart, prayers, love, appreciation and condolences are with his Wife, Children, family and friends. Rest well Eld. Wilson... Rest well...

“Elder Tony Wilson's smile was warm and welcoming. His voice was sharp and eloquent. But his heart? His heart exuded the love of Christ. I have no memory of ever seeing him without a smile. His daughter Jennifer and my daughter were born around the same time and so every time I saw him I would ask for her and mom, who are both my name sakes.

To say this was a special man is not good enough. His memory and love for all he served will live on. An awesome legacy to leave behind. My prayer for Sis. Jennifer and his beautiful children, is that you will never lack any good thing. I pray that because he sowed great seeds, you will reap all the love, the care, the compassion, the faithfulness that your beloved man of God planted this side of heaven.

With heartfelt love....

“ It is with a heavy heart also that I, along with so many who have known and served with Elder Tony Wilson, over twenty years at New Birth and longer, to you, his immediate beloved family, extended family, our New Birth Missionary Baptist Church family, his friends, the body of Christ and community, that I extend to you my deepest sympathy and prayers and honor this great man of God. Also on behalf of my family, including Roderick Thomas, my nephew and sister, Mother Freeda M. Williams' son, we thank the Lord for His life, legacy and commitment given to our family, traveling and doing the eulogy during her Home-going and Celebration of Life in 2020 and for so many over the years and for friendship, prayers and encouragement. Elder Wilson was one of the most humble, faithful, considerate, kind and committed to God and people, persons that I have ever known. I served with him many years in the Member Care and Health Ministry and with many Blood Drives also and he would donate and encourage others. He loved the Lord, people, serving, praying and building God's kingdom, always moving about quietly, with a smile and with purpose and excellence. Although we, too, will miss him, he will always be in our hearts and memories. God is faithful, loving, merciful, kind and so much more and has called Elder Wilson home to be with Him, Jesus Christ, the Holy Spirit, the Holy Trinity, our loved ones, our New Birth family there and that great host of angels. I believe that He has said to him "WELL DONE THOU GOOD AND FAITHFUL SERVANT" and that we will see him again. Praying that the Lord will continue to bless, strengthen, keep you all in His care and give you a peace that surpasseth all understanding. TO GOD BE THE GLORY! Sister Gwendolyn Weaver

Elder Wilson you life is and has been impactful, your spirit lives on as we continue to celebrate you. Thanks for all the love you and Jennifer showed to me! “ Elder Tony Wilson was one of the first Ministers I met at New Birth in the early 1990 which seems so long ago. He served with his whole heart. His spirit of servant helped my family and I get thru some dark times of grief. He truly Loved, Lived and Lead like Christ. May we all catch the same spirit of servant that Elder Wilson displayed every day. “The greatest among you will be your servant.” Matthew 23:11. “Love must be sincere. Hate what is evil; cling to what is good. Be devoted to one another in brotherly love. Honor one another above yourselves. Never be lacking in zeal, but keep your spiritual fervor, serving the Lord. Be joyful in hope, patient in affliction, faithful in prayer. Share with God’s people who are in need. Practice hospitality.” Romans 12:9-13. Well done Elder Tony Wilson! Thank you for all that you did for my family, New Birth and the community at large. You will surely be missed!” Minister Sherry Armotrading

He ministered to my daughter when her grandmother passed. He was my teacher. I learned so much from him about Grief and Bereavement. He was a natural about helping people feel better, to feel empowered. That smile he had blessed all he encountered. “ A life well lived should never be overshadowed by the sadness of a loss. It was an honor and a blessing to have known Elder Wilson since I came to New Birth in 1997. He was such a kind caring and wise servant of God. He treated everyone with the utmost respect, always addressed you as “Sister.. or Brother... followed by your name. He was a prayer warrior, and no matter the circumstances, the crisis, there was no panic in him. Instead his gentle and calm presence and his words of wisdom and counsel always provided the strength and comfort that you needed at the time. Our sincere condolences to his wife and family. Cherish the love and the awesome memories. Tony & Annette Cooper

*God plan was to have another Angel in heaven with him and he choose Elder Wilson one who was loving, kind, faithful and enjoyed his assignment from God while on this earth. Now he can sit down relax and enjoy the smell or roses on the other side. I know you will miss him. To Jennifer and children never give up. Today is hard, tomorrow will be worse, but the day after tomorrow will be sunshine. Peace and sunshine is on its way to you because of the wonderful works of Elder Wilson .*
