“God saw you growing weary
So He did what He knew best,
He came and stood beside you,
And whispered ‘Come to me and rest’.
You bade no one a last farewell,
Nor ever said ‘Good Bye’
You were gone before we knew it
And only God knows why.”

Hayes and Allen family words can never express my deepest condolences for your loss. I know this pain too well so these next few words I suggest. Remember Tonya’s joyful life she lived abundantly everyday. Remember the infectious smile of hers that seemed to make brighten any gloomy day. Remember how she was always the life of the party, ready to dance with anyone. Remember how she was the protector, keeping all danger away. Remember how she was an angel on Earth to all that crossed her way. Keep all the memories and good times close to heart, to help you day by day.

*I Love all of You Dearly!!!!

“ Tonya, It's still hard to process that you are no longer here with us. I was sharing with Tuttie and Shante that you were such a joy and your presence always lit up a room. That dynamic smile of yours was so infectious! I don't think there was anyone who could see it and not find themselves grinning from ear to ear in return. I can't ever recall a time where I didn't find myself breaking out in laughter by something that you said, or a story that you told. Believe it or not, I still have the Build-a-Bear Teddy and the beautiful memories that you helped me create with Madison and Mason as they built their first garden and raced in their little go-carts on the driveway. Thanks so much for capturing all those photos and videos for me. My life is that much richer because I knew you, and my heart is grieving because you are gone. Thank you so very much for not only being my friend but for welcoming me as part of your amazing and loving family. Those are moments that I will always treasure and look back fondly on and smile. No, correction, I will laugh because that's what you brought into my life, laughter! I love you, will miss you, and will never forget the beautiful life that was you. You know I don't like to say good-bye, so...until we meet again, my dear friend.

“ Tonya, I was in total shock & disbelief and am devastated when Gloria told me you passed away. You were so kind to me and my family, your were family to us. The unconditional love you had for Gloria, Ariana, Aaliyah (your Honey Bunny) was amazing and undescrivable. On June 18th you sent me a video of Aaliyah in the pool little did I know that would be our last time communicating. I will miss your beautiful smile, those tropical drinks you would make us and of course scratch off tickets but most of all you were always there through good times and bad with my family. You will be truly missed.
