“ I meet Tracy years ago when she first started at Emory Healthcare. Her compassion and value for the patient's was phenomenal. Admiring her behavior help me become a better caregiver. When she went back to college and obtain her degree we were all so excited. She said, it was a promise she made to her grandmother twenty years ago. For me, without her positive spirit, the world as I know it will be less positive without her in it. Tracy you will be missed tremendously.

My sincerest condolences to Tracy and her family. I miss her already, God Bless you Tracy, You made that great inevitable transition that we must all take. To the Family please read John 14th chapter ,this is a most beautiful passage that Jesus Christ promised to us all,May you find comfort in Jesus Christ, remember, God is just a prayer away, God is always present and hears every word . Hold on to God's unchanging hand,for the Lord God says in his word,I will never leave you nor forsake you " May the beautiful peace of God always comfort you in your hour of sorrow . Peace be unto you forever...
