“ *Grief can be so hard, but our cherished memories help us cope. Hold tight to those memories....Lean on each other for support.... And look to God’s word the Bible, for comfort and strength. James 4:8 encourages; “Draw close to God, and He will draw close to you.”* ”

“ I would like to express my deepest sympathy in the loss of your beloved family member. When a loved one dies, it causes so much pain and sorrow. Because our loving God Jehovah created humans to live and not to die, “He has even put eternity in their heart” (Ecclesiastes 3:11a), he understands the deep emotional pain death causes. But we are not left alone to cope with our grief and sadness. Jehovah God gives us comfort from his word the Bible. Scriptures that can comfort us are found at Psalm 34:18 which says: “Jehovah is close to the brokenhearted; He saves those who are crushed in spirit”. He has also promise at Revelation 21:3,4 that sickness and death will be removed and our loved ones will have the prospect of living on a paradise earth in perfect health by means of the resurrection (John 5:28,29). We can put our trust in these promises because “God cannot lie”(Titus 1:2).

“ My little cousin lived a short, but sweet life. He was very passionate about living and his family. When it came time for him to go, he was a brave little soldier, trusing that God would heal him or take him home to glory. . It's off to Glory he went. He knew his possible fate, but it was well with him and his God.

Travis we're gonna miss you but we know that God wanted you more. Take your rest little cousin until we meet again.
