“Wow, I know I'm late on posting this. To say I was shocked Treasa, to hear of your passing, would be an understatement. I had the pleasure of calling you Captain, while you headed the security team at Piedmont Center for us, for several years. You were such a great listener and such a dear friend.

You spoke often your love for your husband and your sons. I will truly miss you. One of my greatest joys is when you called and told me you surrender your life to Christ. May the Lord bring your husband, children and entire family comfort during this difficult journey they are now on without you. Love you always Captain ❤️

“What can I say about Treasa other than she was a beautiful angel that I had the privilege to be friends with. She had the brightest smile and the biggest heart. The kind of person that would give you the shirt off her back (I have the shirt). I will miss that contagious laugh of yours. Rest easy my friend....I love you always. Gigi
