

Trevon F. Richardson

February 11, 2000 - May 28, 2018

Trevon Fareed Richardson was born Friday, February 11, 2000 to Mr. Freddie Richardson and his wife Nicole. He was the fourth child—the baby. Trevon truly took full advantage of his role as the baby of the family, allowing his sister Treasure, the second eldest, to dote on him because he was her baby. The two, although nearly eight years apart, had an unbreakable bond. Trevon was always the life of the party. If Trey was in the room—you knew it and you felt it. He had a smile that could brighten up your darkest day and an infectious laugh that would instantly spread joy. He always had a love for music. As he got older, he began to create music. By the time he'd finished his freshmen year of high school, Trey had begun rapping and producing tracks. During his senior year, “32 Luh Trey” was born. His rhymes garnered much support. He began at the age of five playing football and basketball for little league and AAU teams. There wasn't a sport that he couldn't play. He continued his athletic career while at Cedar Grove High School; he was a part of the AAA Georgia State Championship Football and four time AAA State Track & Field State Championship teams coached by Jermaine “Jimmie” and Quanisha Smith. Trey's future was well planned. After his graduation he was headed to Valdosta State University to major in Business Marketing. Trevon was indeed focused. Although he wanted to play football and basketball on a collegiate level, his dreams were so much bigger. Once he obtained his degree(s) in college he had planned on channeling his energy toward producing music as a music engineer. He also expressed he wasn't stopping there; he wanted to

buy and sell houses in the real estate market. Monday, May 28, 2018, Trevon's life was taking away from him, leaving a void that cannot and will not be filled. He is preceded in death by his paternal grandmother Mrs. Marie Richardson. He is survived in death by his parents Mr. Freddie and Nicole Richardson, siblings: Ja'sean, Treasure, and Ja'Knequa Richardson and one niece Yvonne Richardson (all of Ellenwood, Georgia), grandparents: Mr. Leon Maynor, Mr. James and Dr. Jimmie Warren, of Savannah Georgia. He also leaves behind a host of aunts, uncles and cousins.

“ Dear Richardson Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ Tre was more than just my son’s best friend he was family. There isn’t a day that goes by that I don’t think about him and miss him because I’m so use to him being around. This summer has been really hard for us because I’m so use to laughing at the boys for being silly. Anytime we planned a trip I always made sure Tre was included for Tre Freddie and Nikki thank you for sharing Tre with us and thank you for the rides home from practices and games KP always refer to y’all as auntie and uncle and anywhere I saw Tre he would always greet me with a hug and always called me auntie as well. Tre was a very respectful young man and always the first one to help out. Rest In Peace my sweet Tre ❤️
