“ My Tea Roses and Ivy Tribute... I'm just sitting here reminiscing about the beautiful life of my beloved sorority sister Trudie Carmichael. From the moment I was initiated in 2008 with her as my chapter president to this year, she has always giving me her unwavering support in all that I have done! Whenever I called on her, the answer was always YES! Even with all of the AMAZING (and busy) things that she had going on in her life at church, at work, with her family, with her community, and of course, within AKA, she always took the time to help me! When my husband operated a Chick-fil-A, we had a standing (I think weekly) catering order with her place of employment that she personally secured! I called on her when I wrote my first manuscript called Leslie's Lane the Book! She introduced Chapter 7 and is featured on page 95. Soror Trudie, I have always strived to be my very best and to surround myself with great women who excel at what that do. You epitomize the EXCEPTIONAL woman that I want to be. I thank God for sending you into my life. I thank Him for giving you such a warm heart to help everyone - including me. Rest in Pretty Pink Peace.
With Love, Soror Leslie

To the Carmichael family, our prayers are with you as you deal with the shock as many of us are dealing with the shock of her transition. We pray that you will find comfort and strength in knowing that she will be missed by many and that she truly had a relationship with our heavenly father. Continue to honor the love she had for so many and how she touched the lives of many. she will live on for years to come by her having left a legacy of sunshine, love, a listening hear, a word of comfort, a smile , a helping hand and many many other attributes thru the lives of many of us.
