“ I am still in shock and without words! I met Mrs. Taylor 3 years ago when my daughter started at Brockett. When I met her, I was going through some pretty rough times in my life. Every time that she saw me, she hugged me, encouraged me and made me smile. She helped me through the pain and she always yelled at my daughter and made her do the right thing....I loved her for that and I always will. She was a jewel and I'm going to miss my friend!!! May God grant you all peace and comfort during this most difficult time in your lives. Heaven has truly gained an angel and you should rejoice knowing she's in the arms of her Father! God bless!!!

“ When I first met Trudie, she told me "You don't me yet, but I am The Queen." Little did we know, 4 years after that, she was the queen of my Kindergarten classroom and we got to know each other very well. I will never forget the day she told me "You can't go to another school because they may not accept you the way we do." She accepted me. There will never be another one quite like her. Trudie, I love you for all that you taught me and all the love you gave me.

“ Trudie was such an asset to the clinic at Brockett. She was always cheerful and we loved to share stories with each other. Trudie's food was always a hit at school events - her banana pudding was a treat (and my husband Bill was hooked). Since Trudie always got to work before me she would often save back some cheese grits she would prepare and bring in. Trudie loved her job, the kids, and truly wanted them to succeed. I loved sharing time with her and she will leave a hole in my heart.

*“ Brockett's precious Trudie Taylor has gone to be with Jesus. Trudie was such a blessing to all of us. She has such a contagious gift of laughter. She always spoke from the heart and you knew you had a true friend. The times that she would make grits for the faculty and her famous banana pudding were just two of her favorite foods she shared with us all. She had such a compassionate spirit in working with the children at Brockett. She was so looking forward to retirement but God had a different retirement plan for her. She is walking streets of gold, laughing, and singing. I am so thankful that we have the promise of seeing her again, one day!*

“ *My condolences in the loss of your dear loved one. The pain of grief we feel when our loved ones die can sometimes be unbearable. The comforting words from our heavenly father Jehovah found at Isaiah 25:8; He (God) will swallow up death forever. And the Sovereign Lord Jehovah will wipe the tears from all faces, and Psalm 34:18; Jehovah is close to the brokenhearted; He saves those who are crushed in spirit, will help you to cope with the grief and sadness now and in the days ahead.*
