“ I can say a lot about Tynek but what I’ll remember him most by is how genuine he was. From the first time we met i instantly felt like i knew him forever. He had that infectious personality about him that charisma that only a few possess. He was my goalie and together we made history. We were apart of something bigger than us. We were pioneers. We were the first Chamblee high school lacrosse team! I honestly was waiting to hear from my brother about some beats he told me he’d been working on. This breaks my heart and i want to give my condolences to his family through this tough time.
