“ *Bianca my dear....
There are places within our hearts that can
only be filled with memories. And there are
places in our souls that can only be healed by
the gentle hands of time. It is my hope that
you find comfort knowing that you and your family are being thought
of and prayed for.
Be well.... 🙏❤️
Your loss is deeply felt.

“ This is so hard to even type.... I admired so much about you, and you were in a way like a father figure to me. As your neighbor, it would always put a smile on my face to wave and just say "hi, how are you". It felt like you were a part of my family. You would bring the garbage can to our garage door and it was so nice of you because you didn't have to at all. I value the way you took care of your daughters, and you treated me like I was your own. I enjoyed editing content for your social media page because you really challenged me to be better than I was. Your ideas were so vivid and larger than life. Hearing that you were proud of me for finishing college and how I was someone that your daughters could look up to was so cool to me. During Covid, when I didn't have a job for a long time and was constantly searching for one. You were able to help me land a job at Stone Mountain Park where you had worked for years. I am forever grateful. You were the most genuine and kind-hearted person. In remembrance of you, I will try to input all the positive characteristics that you had into everything I do. You were genuine, down to earth, loyal, and respectful. You will forever be missed Tye.

“ My deepest prayers, love, and support for the family of my beautiful co-worker Keema Frett-Newsome. I loved the moments seeing yourself light up daily when you talked with favorite nephew/bestie Tyrone. I always knew to answer your phone if you weren't around if favorite nephew called. I am here for you my sister along with Jasmine, Janita, and your Coralwood family. I light this candle in honor and memory of the light Tyrone was to your entire family.
Love You Always,
Crystal
