“ Dear Price Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ Dear Barry, Perhaps you remember me and my family (Horridge) from when we were kids on Dummer street. I was Dwight's age; my brother Nel your age. Your Mom and my Mom (Gloria) were friends. Your uncle graduated from Morse with my Mom. I loved your Mom! Back before she moved down to GA I would see her walking home from work and give her a ride. She was always so happy, and interested in other people. She had such a great style and way. I hope her final years were happy and peaceful. I will always remember her. My condolences to you and your family. All the best,  
Marla Horridge Davis
