“ *May God be with you now  
As you face this time of grief,  
May you know the comfort of the Lord  
In your darkest hour of need  
Know that Jesus cares for you  
When your soul is deeply pained  
No matter what you may go through,  
His love for you remains.*

“ *What a beautiful service of remembrance for Ursula today! As a Meridian neighbor, I remember her smiles -that were mentioned. Once, at Clayton Eye Center in Morrow, sitting next to a lady sharing thoughts, she asked "where do you live?" -I replied "the Meridian". She said, "I know the place, I have a friend there, Ursula Keyes" What a small world, I thought. Told Ursula about it. So glad we're sisters in the Lord! 1 Thes.4:18*

“ I am very sorry for your loss .I have always liked the name Ursula. As you continue to mourn the loss of Mrs. Keyes, please take comfort in the scripture found in God's word the Bible at John 11:25 where Jesus said that He is the resurrection and the life; and the ones who exercise faith in him though they will die, they will live again. You are in my prayers.

“ *Gwen, along with all of your many friends at EPA, I am so sorry to hear of your mother's passing. I know from having met her how proud your mom was of you and your accomplishments, not to mention your wonderful family. The last few years have been tough ones, for her and you, but the love and care you showed for her were great and priceless gifts. We in your EPA family mourn with you and share in your loss, and continue to keep you in our hearts.*

*To the Keyes Family,*

*My heart goes out to you at the loss of your mother. I didn't know Ursula well, but I enjoyed being in her company. I knew your father better, due to all his service in Roxbury. He was one of the nicest guys I knew back then. I know you will all remember the good times your family had over the years, and I pray they will help the sad days ahead less painful for you.*

*Rest in Peace, Ursula!*
