“ *My dear childhood friend. I'm still left speechless when I have to deal with your not being hear so we could fuss and debate. You are my sister, I will never forget how we talked about our church upbringing experience looking back over our life and seeing where the goodness of the Lord has brought us. I will never forget you and will always remember and cherish you as my beloved friend. Rest In Jesus my Beautiful Forever Friend* ❤️💜❤️

“ *I first met Valerie when I started my GCPS career at Duluth Middle School and then years later she welcomed me to Berkmar Middle. She was a warm yet bold soul with a bright smile and laughter to match. I will miss our walk and talks in the halls and parks. May God bless you and keep you CJ and family.*

“ I will never forget the bright smile of Ms. Howard! She welcomed me with open arms at BMS as well and she always had a beautiful, bold spirit and I loved that about her. She was always herself and I will miss her dearly. Sending prayers to the family and may God comfort your hearts.

“ I was just thinking about how much I missed our special chats of encouragement every morning. You gave me such a positive and bright start to the day. I looked forward to our weekly yoga sessions where you made sure I was taking care of my mind and body. You have been such a light for me and a wonderful friend. I would love to treat the hallway as a runway with you again, strutting and posing the whole way. You knew exactly how to brighten the day and bring light to any situation. You gave your love and guidance to everyone around you and I'm so proud that you chose me as your friend.

“ Valerie was the first person I met at BMS. I was a sub, and she welcomed me in like I was family. We hit it off instantly, and she told me, " us tall girls gotta stick together." She was always unapologetically herself, which is what I loved most about her. She just kept it real. She was hilarious and fun to be around. I enjoyed the jokes we shared and the fun times we had. She will definitely be missed here at BMS. Sending condolences to her son and to all of her family and friends.

Love always,
