“ To the family of Val... I would like to extend my deepest condolences for your loss. This is the most heartbreaking loss for us. I am praying for your peace and comfort during this time. I met Val at Premiere Scholar back 2013. We worked side by side for 4 years. Then, surprisingly we became next door neighbors 2022 -2024. I will always remember and truly appreciate the love and support she gave me and my son. When we had no one else, she gave us the motherly love that we needed. She was a strong lady and never complained. Sam, thank you for sharing such a beautiful soul with us. She will be forever in our hearts and will definitely be watching over you. Love, Danyel & JoJo
