“ My dearest Vanessa, the Laws girls SISTER from another MOTHER. It hasn't sunk in that you have been called home. We miss you on our "SISTAS THREAD" where we would have discussion about anything and everything. You would say, " I'm writing a book". We would always tell you that it's ok....you write what you want and how much you want. Your beautiful smile was infectious and your soft spoken voice was calming. Our hearts are broken however, we remain strong knowing you are residing in the BEST HOUSE with our LORD and SAVIOR. REST IN HEAVENLY PEACE OUR DEAR SISTER. Shirley Laws-Smith ❤️

“ My Dearest Vanessa, I always looked up to you. I remember when I was a teenager and you came to our house regularly. You always looked so pretty, and smelled like sweet perfume. I always hoped that I could look like you when I got older. You were also very encouraging, telling me that I could do things I never thought possible. I'll miss you my Sister Sista Friend. ❤️🙏

“ Aunt V, I still credit you for being the first person to make me listen to the City Girls lol I still remember you playing their music videos when you came to visit for a few days when granny passed. You are hilarious!

I'm so glad I FaceTimed you a couple months ago while we were texting. I hadn't seen you in years..

You wanted to plan a trip to Vegas for a group of us to meet up this Spring. I wish we could have made something happen this year. I wanted to see you so bad.

I'll love you forever Aunt V

Sincerely yours,

Your Nephew Marquee

“ To the family I send my deepest condolences and prayers. Vanessa was my friend. We shared so much together during our friendship. I am going to truly miss our shared times. She would keep me educated on what was going on in the world. Whether it was sports, politics, medical, job insurance what have you. And she loved her family. Rest well my friend.

“ Vanessa, my friend:
I broke into tears when I got the call from Delores that you had passed.
We had just texted each other a week before.
I'm still in shock but I know goodbyes are not forever, they are merely temporary pauses in our journey together.
How lucky I am to have something that makes saying goodbye hard.
Our friendship stretches from Middle School, High School, College and Working together. We shared a many late nights having fun.
Our friendship was so great that even our mothers became good friends attending the Senior Citizens Center.
True friends never say goodbye, they just take extended leaves from each other. So Ness, until we meet again, I will force myself to say the word, GOODBYE, but my heart will never mean it. Take care my friend until we see each other again on the other side.
Monique, you and your family have my condolences. We talked about you many times. You were her life.

Sincerely,
Dierdre Thomas-Waples (Dee-Dee)

“ My condolences to the family. Vanessa was a very sweet person and filled with so much joy. We met at Bellsouth 27 years ago. She was always so very positive and willing to help. Every time we spoke, she told me how proud she was of her daughter and her grands. Then she would say, “you are so beautiful and not just on the outside Prinnies.” Rest in peace, my friend. 🙏

After hearing the news, I went back to read some of those text that were filled with so much love, and they gave me that warm and fuzzy feeling that she exuded. I will miss you, my friend.
