“ *My Dancing Queen is gone but never forgotten. I've been apart of Baneesa's life for 48 1/2 years and I've enjoyed her every year. Van was kind loving concerned and extremely compassionate. Moreover let's not forget she was a true God fearing Christian. Vanessa was the true life of every family reunion and every gathering. Family please be encouraged by the words of the Lord in Psalms 34:18. (God remains close to the broken hearted). Cousin we will see you on the other side. Family we are here for each other we're praying for each other's strength during this time. Van you will truly be missed.*
