

Veda Elaine Burns

July 21, 1956 - December 20, 2023

Veda E. Burns: A Life of Achievement, Service, Excellence, and Heart.

We celebrate the life of Veda E. Burns, a remarkable woman of great faith. Through service to her family, church, and her community; she planted seeds, tilled the soil, and helped to nurture the garden for many lives on her journey. Today we honor God for the life and legacy for He has chosen Veda to be a part of his heavenly, celestial garden. Listening to the voice of God, Veda passed away peacefully in Houston, TX on December 20, 2023. She was surrounded by her twin sister, nieces and nephews, goddaughter, clergy and cherished loved ones.

Veda made her debut 10 minutes before her identical twin Sister Vera, born to Daniel M. and Jennie Porter Burns in Savannah. Veda's life was a testament to her unwavering dedication to her love of family and friends, excellence, and service. From an early age, Veda's deep faith, rooted in the Historic First Bryan Baptist Church, Savannah, guided her life's path. Later in life, Veda was a dedicated member of Wheeler Baptist Church in Houston, where she volunteered in the children's ministry, vacation Bible school and as a strong prayer warrior for cancer support ministry. Her academic journey was marked by exceptional accomplishments.

Veda graduated with distinction and honors as Summa Cum Laude from A.E.

Beach High School, Savannah in 1974. She was a member of the National Honor Society, a varsity cheerleader, and was crowned Ms. A.E. Beach HS her senior year. At Savannah State University, she continued to excel, graduating Summa Cum Laude with a BS in Business Administration and Marketing in 1978. An active part of the fabric of the Savannah State tiger community, Veda was a member of the Marketing club, Miss Phi Beta Lambda and active in student government. As an alumna, Veda was a life member of the Savannah State Alumni Association, serving in two chapters- South Dekalb Perimeter and SSUNAA Texas chapter. Veda's pursuit of knowledge didn't stop there; she earned an MBA in Marketing Management from 1980 the University of Georgia, Terry College of Business, where she was awarded the prestigious Georgia Board of Regents Academic Scholarship, She landed her first job with AT&T in Columbus, GA. Years later, she moved to Atlanta to begin her career in pharmaceutical sales.

She relocated to Philadelphia in 2001 to assume a Hematology/Oncology Brand Managerial Role for a Fortune 500 Bio-pharmaceutical company. In 2003, Veda relocated to Houston, a move that worked in her favor, organ transplant wise. Her commitment to empowering others was evident in her affiliations with the National Black MBA Association and the Leukemia & Lymphoma Society-Gulf Coast Chapter. She retired after a 30-year stellar pharmaceutical sales career in 2015.

Veda's legacy extends beyond her professional achievements. She was passionate about life, love, and the pursuit of happiness. Veda loved everybody- from babies, young adults, seniors, and everything in between. As an identical twin, Veda's life was intertwined with her sister Vera and vice versa, from the beginning of her first heartbeat to her last breath.

The twins had a unique, uncanny ability to communicate in a language no one else could understand, nor could be explained. To this day, their bond remains

unbroken and is immeasurable. In 2016, Veda underwent a double lung transplant. In the face of insurmountable odds, she continued her passion for travel and shopping till she dropped, plays, concerts, dinner parties, and visiting friends and family from coast to coast. A social butterfly "who was the life of the party" whether singing the Happy Birthday song or dancing down the soul train line! Once you met Veda, she was unforgettable. She was witty, wise, had a knack for connecting people from all walks of life and had a willingness to mentor and offer advice to those she loved. She lived life to the fullest with God's grace and favor, she never gave up and to the end "Veda did it her way". Veda was loved and will truly be missed! Left to cherish her memory are her twin Vera of Atlanta, GA. Her sisters Laura (Robert) Ward of Vacaville, CA, Inez (Vernel) Gainey of Savannah, GA. Her brothers Richard (Sheila) Burns of Fayetteville, NC., Ronnie (Valjean) Burns of Savannah, GA and Wendell Burns of Savannah, GA and a host of nieces, nephews, cousins, godchildren, and friends who were as close as family. Veda is preceded in death by her parents, brother Daniel, and sister Delores Hardwick.

Her life's work will resonate for generations to come. Veda's memory will remain a guiding light in the hearts of those she touched.

“ I met Veda via the National Black MBA - Atlanta Chapter in the early 1980's. We became great friends. We went to the clubs together and guys would send her drinks and she would school me on how to react to the attention of the guys. I never got drinks sent to me. Going out with Veda to the clubs was a master class. She was a force to behold. She had magnetic energy that made everyone want to be in her presence.

I saw Veda grow into an excellent pharmaceutical sales rep. I saw her volunteer with the National Black MBA at our national conferences, our children's Christmas parties, and working with the local chapter on numerous event that they sponsored. Veda has many families from the love she shared in various capacities.

When she moved to Houston, she acquired another family there. She lived an independent life with those new friends and family while still embracing her other family and friends.

She showed us all how to live life on your own terms-no matter what circumstances are given to you. I admire her for how she lived her life and invited everyone in to share it with her. She showed us how to enjoy life at each stage of life -young adult, middle age, and twilight.

Veda Elaine Burns, a life well done! She is loved and she is missed.

I love this! I was her “tooth health” girl here in Houston. I held her hand many times. I feel so blessed to have known her. She recognized me as a “Sister Girl”. I didn't understand how special that was until I watched her service. My life is better, because I knew her. Big love and hugs. 🌸🦋☀️

“ You are in our prayers, Burns family. Ms. Veda (as our sons called her) volunteered with us in the Wheeler Avenue Baptist Church (WABC) children's ministry. She was a light of spiritual joy! While we worked with the older elementary children, she worked with the younger children (our sons included). Ms. Veda adored our 3 sons as much (or more) as they adored her. She would always speak to us and our sons, complementing on their mannerisms, faith, academic excellence, and respect for others. Veda was a very special encouraging soul! She would always stop to talk when we saw each other and always asked about how "her boys" were doing even while they were away at college! We will truly miss her smile and beautiful spirit! She is a Godly treasure! - Our Peace & blessings to the family - Deacon & Deaconess Juan & Celeste Etheridge & Sons
