“ Dear Lisa and Family,

I hope this message finds you surrounded by peace and grace. I want to express my deepest apologies for not being able to attend the visitation; my heart truly ached to be there with you and the rest of the family and friends during this sacred time of remembrance. Please know that you are constantly in my thoughts and prayers as you navigate this difficult journey. I miss my friend dearly.

May the strength of love and the comfort of cherished memories surround you like a warm embrace. In moments of sorrow, know that friends are here to support you and walk beside you and the family. I pray that healing light may shine upon you all and guide you toward brighter days, where joy gradually returns to your hearts.

*With all my love and compassion,
Lois*
