“ Dear Belk Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous. May you have peace as you think about this beautiful hope for the future.

“ *Words seem inadequate to express the sadness we feel about Venio's death. We are here to support you in your grieving process. What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. Today and always, may loving memories bring you peace, comfort, and strength. With sincere sympathy, Ronald and Karen Nicholson*
