“ *I met Vera years ago while living on Meehan , Ft. Benning (Moore). She always had a smile. Once, some friends arranged a BD Party for her on our enclosed front porch. It was a Joy. She also attended my 60th BD Party and now I will be turning 75. Love, Peace and Understanding to her Family and Friends ...The Liggetts/Tesa and Marilyn*

“ We offer our heartfelt condolences to the Family of Vera Hood. We got to know Vera via her sister Rose. Our families are intertwined and Vera was very special to us. Even with her health challenges, she was always able to brighten your day with her witty sense of humor.

It is my prayer that her shining personality will live on in our hearts and all who knew the sweetness of her soul. While words may fall short, please know that our hearts are with you as you navigate this profound loss.

Surrounding the Robinson Family with love and peace. Thinking of you and wishing you moments of peace and solace as you remember someone who was so close to you. What an amazing person and what a remarkable life. We feel so lucky that Vera was part of our family too. Let us celebrate the life of a wonderful woman in the person of Vera A. Hood. I know we'll find comfort in each other and we'll get through this together. May the memories of her love and laughter fill the emptiness and bring tranquility to us all.

“ I met Vera through her sister and my dear friend, Rose. The two had occasion to visit me in NC years ago, and I have had phonecalls or Atlanta visits with them ever since. Vera was always sweet, joyous and cracked me up with her sidebars of comments. Her passing is a sad thing. I know she will be missed dearly by her entire family.
