“ *You made a difference in my life. Thank you for the years of kindness and giving. You were an awesome brother-in-law, confidant, even a father figure at times. May the peace of our Lord and Savior be with you always.*

“ Verdell,

I am so very happy that Walter and I had the chance to spend a long weekend in Dallas this year with you and the family. It had been a very long time coming. We all had the most wonderful time together, especially at your beloved horse races, some of us even got lucky! You've been a part our family for so long that you had become brother rather than a brother in-law. God bless you as you rest in his arms, rest in peace knowing that even though Henry is there to take care of Carolyn, we, her family have her covered also. You will be forever missed until we all meet again.

Love you my brother,

Your Sister, Marilyn Jones Williams
