It is with deep sadness that we announce the passing of Verna D. Montgomery, who departed this world peacefully on Sunday, June 8, 2025, in Stone Mountain, Georgia. Born on Friday, August 18, 1939, in the historic city of Athens, Georgia, Verna lived a life full of love, dedication, and service to her community.

A devoted worker, Verna served as a Lady Attendant at Gregory B. Levett Funeral Home in Georgia, where her compassion and kindness touched many families during their times of need. “ *Mrs. Montgomery always greeted me with a welcoming smile, kind words and a sweet spirit when I visited their home. During my first visit a few years ago to assist with her health insurance, I was so impressed with her organizational skills and how she kept her documents neatly in a binder, that I began to use her technique. I will keep her memory in my heart and thoughts and provide supplies to share her organizational technique with other Seniors. My condolences to Mr. Montgomery, Yolanda and their family. She will be truly missed.*

“ Mrs. Montgomery and I were neighbors when I lived at Antioch Manor Estates. I always admired the way she dressed going to church. She was dressed from head to toe! And her spirit is one to be duplicated! May her memories continue to be a blessing to those who knew her and an inspiration to those who didnt.

“ Mrs Montgomery was my mom’s neighbor for many years. They were the originals. Just so happens we all attended Beulah. Anytime I saw her she would give me a hug and have conversation with me. She was like an honorary grandmother, I wish I shared that with her. Forever missed she will be. Forever placed in my heart.
