“ *In Loving Memory of Cookie*

At sixteen, when I was still finding my way, Cookie came into my life and chose to love me as her own. She didn't just become my stepmom—she became my bonus mom. With her warmth, wisdom, and steady love, she filled spaces I didn't even know were empty.

Cookie was more than family by marriage—she was family by heart. She poured love not only into me, but also into my children, who knew her as their grandmother. They will deeply miss her hugs, her care, and the special way she made them feel cherished.

Her presence brought comfort, her guidance shaped me, and her love will continue to live on in all of us. I will forever be grateful for the gift of having her as my bonus mom and for the way she blessed my kids with her love.

“ I will miss you every day for the rest of my life. The only part of "step"mom that applied to you was the step stool you needed to reach the kitchen counter. You will always just be my mom. I love you, sweetheart. Rest easy.
