“ *Dearest SGM, I am so blessed to know you. I remember you were the epitome of professionalism and a gentleman. The memory that stands out most was the day I wasn't well and you offered me a handkerchief. I never forgot your kindness and thoughtfulness, so when we drew names for a holiday party I landed your name. I graciously bought you handkerchiefs, so as to add to your collection. Thank you for your service. Your work here is done and now it is time to rest in your reward. God Bless You Clark Family --- MSG (Retired) Lorraine (McRee) Burnett*

SGM was one of the kindest leaders that I have ever worked for. He was easy going and always had a smile on his face. He always shared words of wisdom. He taught me a lot about working with soldiers and remaining courteous. He highly believed in treating everyone with respect. SGM you were truly a One-of-A-Kind.

You will always be my HERO!

“ SGM Clark was a soldier, soldier. Always willing to listen and drop some knowledge and wisdom on you. Vernell was a God fearing praying man that was always sharing God word with believers and non-believers. I do believe that he brought some people to Christ. As a Solider he lead by example, was firm but fair. He mold a lot of young soldiers. into outstanding NCO's and Officers RIP SGM Clark
