“ To the Family & Friends of Mr. Lynch:
May you all gain comfort as you consider God's loving promise to raise up ones who have fallen asleep in death. "God sent his only-begotten Son into the world so that we might gain life through him." (1John 4:9). Jesus confirmed his role in the resurrection when he said..."I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." (John 11:25). Continue to "draw close to God and he will draw close to you." (James 4:8)

“ To the family of Vernell Lynch, my sincere condolences. To lose a loved one in death is the most traumatic experience that one can have. Our Creator is aware of how difficult this must be. That is why the promises that he makes at John 5:28,29 and Revelation 21:3,4 can be so comforting. To know that he will resurrect our departed ones and we will have the opportunity to welcome them back. Not to a world where the issues that we face today, such as sickness and death, will be a part of our existence. I hope that his words will be a source of comfort during this difficult period. I am truly sorry for your loss.
