“ I am sorry that I didn't hear about Cousin Vernon's passing before now. I am saddened to hear of his passing. I will always remember his beautiful smile, jovial spirit and how he and my dad (Vernon's 1st cousin, David Willis) always teased each other. After my own dad passed in 2016, Cousin Vernon always made sure he checked in on me and my family and reminded me that if I needed anything I could call on him. I appreciated this so much. Rest Easy Cousin.
