She was one of my favorites ... growing up Sis. Butler would light up the church with her voice and energy. We used to love when she led a song or performed a solo...cause we knew ppl would get energized and start shouting...and we got a chance to freestyle on the drums. Memories are forever. Marty, we go back to lemon heads and penny cookies...Just wanted to let you know I am thinking about you, Tracie and the family. Peace and Blessings yo the family.
