“ *Hector, I want to express my deepest sympathy from me and my family. In proverbs 18:22 it reads, he who finds a wife finds what is good and receives favor from the Lord. Queen Vicki was your Blessing from the Lord, her beauty, was both in and out, and her Love was unconditional. Cuz during your time of sorrow continue to pray and ask God for strength to challenge life without her.*

We love you, Gevarnai, Beulah and family

“ I’m grateful to have been able to work with you and get to know you, in the short amount of time that I did. Your spirit was just as beautiful as your smile. Such a positive, kind, loving, patient, tolerable person who made her relationship with God known regularly. His light shined all through you. If you had not told me what you were experiencing, I would have never known because all I saw was strength each day. The kids loved you, I loved you, your family and friends loved you, but God loved you so much more. Dance with your Father, then rest in paradise... until we meet again....
