“ I first met Vicki when her father Coach Roy Winfrey was the coach at my high school. Later we worked together for many years at AT&T. She was always the same warm and friendly person throughout our friendship. She has shone a bright light in this world and I know she will be missed by all who knew her. I will keep her family in my prayers and in my heart.

Love,

*"May tender memories soften your grief,
May fond recollection bring you relief,
And may you find comfort and peace in the thought
Of the joy that knowing your loved one brought...
For time and space can never divide
Or keep your loved one from your side.
When memory paints in colors true,
the happy hours that belonged to you."

“ Mrs. Vicki was absolutely ONE of a kind!! Always dedicated to her better half, her favorite girls, Kyndall, her (secretly our) Mama2, the Tooks and everyone else! She LOVED her family!! That can never be questioned. She was in a class of her own. May she fondly live forever in your hearts and memories because I'm sure that's the only way she would ever want it to be. Endless prayers, hugs, and kisses to my fav family, the Coffee's and the Winfrey's!

“ My favorite girl...
I can't find all the words to say to express my love for you. I'm so glad to have had so many wonderful years with you. We shared so many wonderful experiences and created lifelong memories. Those memories are invaluable and I'm so grateful to have that priceless keepsake to carry me through. Don't worry about your girls. As you told me, "We gon' be alright!" Fly high, Ma! I love you for all eternity!

The master said, 'Well done, my good and faithful servant. You have been faithful in handling this small amount, so now I will give you many more responsibilities. Let's celebrate together!' (Matthew 25:23)
