“ To the Jackson Family,  
It hurts my heart to say goodbye. Vickie was a wonderful friend to our hold family, she was like a sister to me. I loved her very much and she knew it. She loved me and I Knew it. I will forever remember her as a lifetime friend, who shared the same values as I (God, Family and Friendship). We cried together and we laughed together. A beautiful person with a beautiful soul. Rest on (my sister-friend for 33 years). We all loved you!! Gone, but never forgotten.

*Sandra Petty and the entire family.*

“ *Vickie Elaine Hunter Jackson was an inspiring leader at home, school, church and in the community. I am fortunate to have grown up with her just as she was my sister. I have known her my entire life and I know she will continue to watch over me. We went to high school and college together. We experienced life together raising our children and growing in life as mature women. She will truly be missed as my sister, friend, and cousin. I love you forever and always.*

*I'll see you again,

“ *My big sister. I'm gonna miss you, as a matter of fact, I'm missing you already. I was hoping that we would have more time together, but God had another plan that did not include me. I hated to see you go without me cause we went to a lot of places and did a lot of things together. I'm going to miss coming to see you and checking on you. wish we could have had one more big cookout in your honor while you were still with us. cause that's what we did. Missing you, your brother James and sister-in-law Bonnie*
