“ About 2 and half years ago I went to Georgia to visit my sister April and my brother-in-love Bruce. It was my first time meeting the Fletchers. That southern hospitality was truly unmatched. April and Bruce showed me to the guest room where I would be staying. As I put my bags down Mr. Fletcher (Playa Hater) told me to get out the room so he can shampoo the carpet. I told him no it's fine everything is perfect. He looked at me and said I'm about to shampoo this carpet. I couldn't do nothing but laugh because he was serious and extremely excited to shampoo the carpet. The way he grabbed the carpet cleaner was the funniest thing I've ever seen. I asked April and Bruce was he like this all the time? They both looked at me and was like Yesssssss. Such a small gesture however it speaks volumes how big his heart was. I was a guest in his home and he wanted me to feel welcomed and comfortable at all cost. I can't believe I'm writing this but he without a doubt will be missed.

“ Victor was put on this earth to sow happiness and laughter in others. He was warm hearted and hilarious. My fondest memory was going on a family cruise with him and how he egged everyone on to do karaoke.

“ Omg I have nothing but good memories of Mr. Fletcher. I met him through his son and daughter-in-law April which are my friend. The very first day I met him. He made me and my son both feel like family. He joked all day, had me laughing the whole time I was there. His spirit was so welcoming, loving and funny. I never met a man so loving. I was just moving to Georgia and really had no one and this family I tell you open their arms and home to me! I have nothing but loving memories. Mr. Fletcher will be truly missed but always remembered. ❤️

“ I met Mr. Fletcher about a year ago in person but had heard so much about him through my sister April and brother in law Vincent (Bruce). From the time we shook hands, we laughed, laughed louder, argued because I called him Mr. Fletcher and laughed more. He told me I was his niece moving forward and to call him Vico. Vico, you did me in. You left me too early. Until we meet again, I love you playa hater.

“ My brother in law was funny, fun and crazy. No one could annoy me and make me laugh at the same time, I'm gonna miss my random phone calls and no one could say my name like him that kinda whiney voice "Shawne Shawne" 😭. You were a great brother in law, wonderful father and husband rest well your assignment is done, yes they'll be lots of tears but also lots of laughter your loved ones will be sad but they'll be ok you did your job well rest easy love you ❤️

“ Hey good guy. It's so hard to write this. I'm going to miss you friend I'm going to miss all our fusses back and forth about the Saints and the Cowboys. I remember when you came to Dallas when Terran and I was working and of course we had another one of our routine fuss about our NFL teams always in fun. I'm going to miss you guy. Don't worry you know I'm going to make sure our girl Terran is good. Get your rest ❤️🙏

“ *I am so sorry to hear of the passing of Victor. I knew him at Kraft Foods. He was always positive and upbeat. He always greeted you with a smile. The last time I saw him was in 2019 at Pappadeaux's. He was still the same as when I knew him at work. He never met a stranger. He could relate to anyone. My sincere condolences go out to his wife and family. May God strengthen you during your time of bereavement.*

“ *I'm deeply saddened to hear of the passing of my good friend, Victor.
I met Victor many years ago working at Kraft Foods and I'm so happy to have known him.
I left Kraft many years ago but we kept in touch through the years. We didn't talk every day and sometimes it might even be a few months between conversations but we always picked up where we left off. If I ever needed to talk to someone about anything at all, Victor would listen. I'll miss you my friend, until we meet again someday.
My condolences to the family. Prayers for you all during this time.*

*Trying to wrap my head around all of this
My brother ☐ My brother
We weren't biologically related but Vic had that personality about
himself that just grows on you
To know him you have to understand his backstory
He was a very passionate, caring ,critical at times (That's that
Michigan coming out 😊) very good friend
I always felt that we would be around forever which I know that's not
possible 😞
I really felt there would be a moment where we would be on some
island that we visited in the past you sipping on something smoking a
cigar and I'm there looking at you saying come on Vic really
You will be truly missed
My condolences to Terann and the family
Love y'all to the Moon 🌕 and Back ← BACK 💙💙💙💙*
