“ Victor was extremely special to me. He was my neighbor for approximately 10 years and I grew very fun of him. We have shared many laughs, stories and much more. I will miss him too.

Family, be encouraged that earth has no sorrow that Heaven can't heal. Know that weeping may endure for a night, but joy cometh in the morning. May the Lord continue to comfort you, heal your hearts and give you peace that surpasses all understanding...

Victor will be missed. He was a good guy. He would go above and beyond to complete whatever was needed and get the job done. We all cried real tears when we heard of his untimely death. Very devastated. Whatever he was in NEED of everyone would look out for him. RIP my friend
