“ *My deepest condolences to Dalton and the Wright Family. I never met the Reverend but I know he was a great man because of who Dalton is and the little I know of Dalton's sisters and the brother I have met.*

“ When God created you he saw that it was good, so he broke your mould. There will never be another person in all of his creations like you again. If I forget everything in my life time, I will never forget you. Thank you for your goodness and kindness you show towards me. You had been a special part of my life growing up and whenever I think about you, I will have nothing but fond memories. Thanks for the memories. Junior Gibson.
