

Mr. Viet Le

March 10, 1985 - April 20, 2024

It was April 20, 2024 where Viet Hoang Le became absent from his body to be with present with the Lord.

Viet was born on March 10, 1985 in Kontum, Vietnam. Viet always lived life precariously; the thrill of uncertainty always left Viet eager. Those that were lucky enough to meet him would know he left behind endless memories filled with excitement, fear, laughter, joy, and his greatest gift was his love.

Viet decided in grade school that he wanted to be called Steven, and most began calling him "Steve".

Steve was a daredevil. He loved all things fast. As a young boy, he loved the mechanism of things with or without engine. He loved riding his bike, doing numerous stunts. He loved swimming. He loved animals. He loved music. Steve graduated from Salem High School in 2003 and decided to go to Athens Technical School. Ever changing like the seasons, he decided to join the U.S. Navy. Steve returned home to open his mechanic shop Le's Auto Repair. Rockdale County and nearby communities knew him as their mobile mechanic. With his passion for cars, he became a certified ASE master technician.

Everyone knew Steve for his generosity and kind nature. If he couldn't fix a

car, he would find other ways to uplift and heal others. He had the most wicked sense of humor, honesty, and contagious laugh.

Steve leaves behind his family: he was the second born son of Que Thi Nguyen and Hung Kim Le. He leaves behind his siblings: Nguyet Le, Anh Le and husband Bobby Lembo, Tram Le and husband Andrew Patton, and his little brother Gia Le. He leaves behind his biggest joy: his daughter Tram Rose Noura Le born on March 27, 2019. He leaves behind his nephew Robert Lembo.

Steve was larger than life. A son, a brother, a father, a uncle, a nephew, a cousin, a best friend, a mentor, a student; Steve touched everyone. A true child of God, no man had the luck to hold. His soul and his heart were meant to be with the Lord and His angels. The world will forever mourn, but the Heavens will rejoice as a pure of heart has now enter His kingdom.

“ Viet only worked for us for a couple months but he was so knowledgeable at repairing vehicles. He truly had a talent for that. I met Viet when he came to fill out his new hire paperwork. He was such a kind, well spoken and polite young man. We chatted for quite awhile as he was so personable. He showed me a picture of his daughter and it was obvious he loved her greatly. I wish we would have had more time as I believe he would have been a good friend. Rest in peace Viet.
