“ I was deeply saddened when we got the news on Monday 11/3/2025 (a day I will never forget) of your passing. It was a pleasure working with you and I keep remembering the conversation you, Dadrie-Ann and I had on Wednesday before we left work not knowing it would be our last. You were my news reporter anything I needed to know about happening around the world especially Jamaica. Words are not enough to express how much I truly miss you and our conversations whether in my office or yours. Your laughter still echoes in my heart and your memories I will treasure. Forever remembered and forever missed. Rest well my friend.

“ I didn't know you as well as others but thought you were a good person. I remember seeing you walk slowly through the halls engulfed in something. However, you always spoke and gave a smile.

Rest in peace! My condolences to the family.

“ Vinton, I knew about you and my dear niece Dezrine since you both were 12 years old attending the same school. Moving forward, your love for each other never grew cold. We miss you very much now that you have given up your 'Earthly Existence' but have gone on to join the ancestors in the 'Ethereal Spirit World'. Loved the fact that we had many interesting conversations. Rest in 'Eternal Peace' King Vinton

“ Vinton our friendship lasted over 40 years and was filled with laughter, fun and adventure. The journey started in Jamaica then to Canada and then America. You were ambitious, hardworking and you loved your family. Boss man I still can't believe that your are gone. I will miss our political debates and your explanations of why you did not get to call me back. You put the best outside even though you were suffering on the inside. Rest in peace
