“ *A woman after God's heart! Words cannot express the love we felt for Momma Lopes. She was a constant joy to talk with, laugh with and pray with. Today our hearts have a void, but that void will be filled daily with our memories. To the children and grandchildren I pray your memories and lessons learned with hold you.*

May you be comforted in knowing that she now rests in a heavenly home where the streets are paved with gold. No more tears, no more sorrow and no more pain.
