“ Missy... I remember as a child you and my Granny in the kitchen chatting, laughing and cleaning greens for hours. Till this day I hate cleaning greens. Now I see why it took so long. I also remember the breakfast you all would make. Adding avocado and tomato was a must. As an adult, I cut up avocado and tomatoes to go with my breakfast because of you and my Granny almost every time. It's definitely an unmatched combo. (Laugh out loud)
You were always smiling. You wore those bangles on your wrist like no other. Beautiful inside and out. We'll miss you dearly.

“ What can I say about Aunt Missy? Funny, happy, energetic, bigger than life, always present whether I was actually in her space or when separated by miles. Her legacy of nurturing and caring are forever etched in my heart. I remember the holiday gatherings. There was always a ton of food, lots of family and a general feeling of togetherness and belonging. Aunt Missy, your physical presence and strength impacted my life for the better. You are greatly missed. Rest in Peace. Your niece, Dr. Judith Lightbourne-Bartley

I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought, and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love, love always mom until we meet again, Nadra Martin

My dear Aunt Missy, I'm so thankful for the laughs and fun times we shared together, for opening your home to me and my family anytime we decided to up and travel to Atlanta. I can hear that laugh now. You were such a happy person! I won't mention the scar on my head from many decades ago when we were but children. (Lol) We grew up more like sisters. I'm going to miss you so much. Won't hear you say again, "How are you, my dear? So good to hear from you!" SIP my dear aunt. Love you always, (Snooks) June Huggins
