“I would like to thank everyone for the beautiful flowers and the lovely messages. The service was incredibly beautiful with wonderful speakers. The music was beautiful, and the surprise saxophone performance was amazing. There were so many people that attended the service that I would like to thank all of you. Virgil would have loved the service.

*Thank you,

“ *I worked at MARTA with Virgil for many years, he was the nicest person. I had not seen or heard from Virgil in many years. I am so very sorry that he is not with us any more, but I have faint in God that we will see him again one day.*

If you have an extra program, please share it with me, I will be happy to pick it up, or you may email it to cesims@bellsouth.net, and please remember that the earth has no sorrows that heaven can not heal.

I regret that I was not able to attend his home going service, I was recovering over an illness myself. Please call me when you get a chance, Calvin Sims. 706- 572-1425
