“ My deepest condolences to Virginia’s family. I have known Virginia for 13 years. She was the kindest, most sincerest person I have ever met. May her memory be a blessing for all time. Lisa

“ I have known Ginny my entire life, and she was my aunt- my mom’s sister. At least, that is what I thought growing up. That’s how close my mom her are. It is rare and special when you can say someone’s name and instantly start to smile, and I will always remember her smile and laughter. I will forever miss you.

“ I had the honor of working with Virginia for over 12 years. She gave her love to her clients and I was a witness to that daily. Her smile and laughter could brighten a room. I will miss her friendship. Rest easy my sweet friend in your heavenly home. You have earned your angel wings.

“ GG's wonderful smile and beautiful spirit were always so welcoming. She welcomed me and my girls into the family. I will miss the quiet and sincere talks we had about life and love. All of our children will miss her. We will keep sharing the stories and memories that we have of GG.

“ It's very hard to put into words what we are feeling, but we wanted to let you know how much we care. I'm really so glad that I was able to meet Gigi (sp?). Our family has many warm memories of her visits to Nebraska. She was a witty, vivacious, warm, caring person. She is now in her Heavenly home. Keeping you in our thoughts and prayers.

“ It's very rare to come across someone of Aunt GGs spirit. You always put others before you and would give your last, if it would make that person happy.

I'll miss greeting you with a big ol hug and then fixing your wig to make sure your outfit stayed on point. I'm forever grateful that we crossed timeliness.

Loving you forever; rest in power QUEEN.

“ I will miss your phone calls and visits yelling out “Neeeeeeena” in that unforgettable way making sure I heard it and had my full attention. You were the only one who said it like that and it will forever echo in my heart. Love you Aunt Jenny.

I will always remember your heart and being open to helping all of those who needed it. I'll miss hugging you when I saw you and then making sure your brand stayed on point by fixing your wig.

Aunt GG, you will forever be in my heart and I'll love you always. Rest in Power QUEEN.
