“ Viv, I will be forever grateful for our talks, your stories, your advice and friendship. You were a dynamic woman. Always checked on me...never forgot a birthday or important detail. Heartbroken to have lost a friend. Comforted to know you are not in pain and can rest peacefully. You did a phenomenal job here on earth. There's no question about how much you loved and cared for your family. "To be absent from the body, and to be present with the Lord." Until we meet again, Ms. Viv! My deepest condolences to her entire family. Love; "Nikki C".❤️

“ Vivian was quite a lady! Our first meeting was when she interviewed with Gallagher Bassett. After it ended and others had left, Vivian and I sat and talked for a half hour about the profession we shared in common and enjoyed so much. It has been a genuine honor to know and work with Vivian for the last 10+ years. Also...Langston, it was such a treat every July when your Mom appeared before me to again wish me Happy Birthday--one you and I share in common! She was very proud of you. Glad I knew her!
