“Daddy you were the absolute best Dad a daughter could ever want. You were so kind and gentle, but firm. You always had a way of getting things done your way. You prepared Momma and I for that BIG celebration. We thank you. And when you called out our name, we knew that everything was going to be alright. That was your way of saying Goodbye. You loved us and we weren't selfish. Your Goodbye was accepted in the most dignified manner. You told me not to give up on my dream to pass my exam. For you Daddy, it's something I will not give up on. Take your REST Daddy in PEACE.
